

Chex Mix

INGREDIENTS

- 1 Cup Karo Syrup
- 1/2 Cup Sugar
- 1 Cube Butter
- 1 tsp. Vanilla
- 1 lg. box Chex
- Pretzels (optional)
- Nuts (optional)
- Coconut (optional)

DIRECTIONS

Bring Karo syrup, sugar, butter and vanilla to a boil and pour over one large box of Chex in a large bowl. Mix well and spread out on wax paper to cool, or put in foil lined cupcake liners. It's fun to add your own twist to this recipe. Maybe throw in some dry roasted almonds, pretzels, or some roasted coconut flakes.

NOTES

Try this one at your own risk. I can't find the recipe so I'm doing it from memory.
