

Pat's Swedish Pancakes

I was a little surprised at how many of these recipes have a little history with Pat. He was at ease in the kitchen, tackling some things that would intimidate me!

Ingredients

3 eggs	Butter
1 1/2 Cup Milk	Brown Sugar
1 Cup Flour	Jam
1 Tbsp. Sugar	Powdered Sugar
1/2 tsp. Salt	

Directions

Mix eggs and then add milk. Add flour, sugar, and salt mixing until smooth. It's easiest to mix these in a blender, but not necessary. Pour about 1/4 Cup Batter into a hot frying pan, sprayed with Pam, rolling after around in the bottom of the pan as it cooks. When the pancake starts to look shiny or rubbery, turn carefully with a large spatula. Serve with butter, jam, powdered sugar and brown sugar.
