

Good Muffins

I got this recipe from our neighbor in Highland, Mary Ann Smith.

Ingredients:

1 Cube Butter (softened)	1 tsp. Baking Soda
1 Cup Brown Sugar	1/2 tsp. Salt
1 Egg	1 tsp. Vanilla
2 Cups Flour	1 Cup Milk

Procedure:

Mix ingredients together all at once. Spoon into paper lined muffin tins. Bake at 350 degrees for 12-15 minutes. Good with honey butter.

Notes :

It is such a yummy muffin. I like them for breakfast or with soups.
